FRIONETT® ACTIV'

Cleaning products for indoor AC units

Frionett® Activ' RTU is a ready-to-use disinfecting, deodorising (fresh scented) and degreasing cleaning product. Formulated to eliminate bacteria and algae, Frionett® Activ' is the ideal product for the cleaning and maintenance of air conditioning and refrigeration equipment (evaporators and indoor units etc).

Bactericide: EN 1040, EN 1276, NF T72-300 (Salmonella typhimurium, Listeria monocytogenes), EN 13623 (Legionella pneumophila)
Fungicide: EN 1275 (Candida albicans)

Frionett® Activ' is a concentrated disinfecting, deodorising (fresh scented) and degreasing cleaning product. Formulated to eliminate bacteria and algae, Frionett® Activ' is the ideal product for the cleaning and maintenance of air conditioning and refrigeration equipment (evaporators and indoor units etc).

Bactericide: EN 1040, EN 1276, NF T72-300 (Salmonella typhimurium, Listeria monocytogenes), EN 13623 (Legionella pneumophila)
Fungicide: EN 1275 (Candida albicans)

Frionett® Activ' Foam is a powerful active foam intended for in-depth surface cleaning. Formulated to eliminate bacteria and algae, Frionett® Activ' Foam cleans, degreases and removes foul odours from air conditioning (wall and ceiling units) and refrigeration equipment (evaporators).

Bactericide: EN 1040, EN 1276, NF T72-300 (Salmonella typhimurium, Listeria monocytogenes), EN 13623 (Legionella pneumophila)
Fungicide: EN 1275 (Candida albicans)

Frionett® Activ' One Shot is a disinfecting and deodorising (fresh scented) product particularly intended for the treatment of ventilation ducts and to purify the air in enclosed spaces.

Bactericide: EN 1276, NF T72-300 (Pseudomonas aeruginosa, Escherichia coli, staphylococcus aureus, Enterococcus hirae)
Fungicide: EN 1650 (Aspergillus niger and Candida albicans)

FRIONETT® POWER

General purpose cleaning products for external units

Frionett® Power RTU is a ready-to-use general-purpose cleaner for all smooth surfaces, containing a light scent. This alkaline product is intended for the professional cleaning of refrigeration and air conditioning equipment: heat exchangers (evaporators, condensers) etc. Its cleansing and degreasing power eliminates dust, grease and other dirt, optimising the system's performance.

Frionett® Power is a concentrated general-purpose cleaner for all smooth surfaces, containing a light scent.
